

COMPANY PROFILE

المرابط لتجارة المعدات الميكانيكية ذ.م.م
AL MURABIT MECHANICAL EQUIPMENT TRADING L.L.C.

About Al Murabit

Specializing in the supply of high-quality Stainless Steel, Alloy Steel and Carbon Steel, Pipe Fittings, Flanges, Valves, and PPE worldwide..

We pride ourselves on serving critical infrastructural sectors, including Oil and Gas, Refineries and Petrochemicals, Power and Energy, Ship-Building and Construction. Additionally, we excel in the fields of Environment and Waste management, as well as the Food and Chemical industries. We are dedicated to providing exceptional products and services to meet the diverse needs of our clients across these sectors.

Vision:

To be the leading supplier of high-quality products and solutions to the Oil and Gas companies, Refineries and Petrochemicals, Power and Energy, Ship-Building and Construction, Environment & Waste management, Food and Chemical industries, while fostering sustainable growth and delivering exceptional value to our customers.

Mission:

At Al Murabit, our mission is to provide reliable and innovative products to the Oil and Gas companies, Refineries and Petrochemicals, Power and Energy, Ship-Building and Construction, Environment and Waste management, Food and Chemical industries. We strive to exceed our customer's expectations by offering a comprehensive range of top-notch products, leveraging cutting-edge technology, and delivering exceptional customer service.

Our Commitment

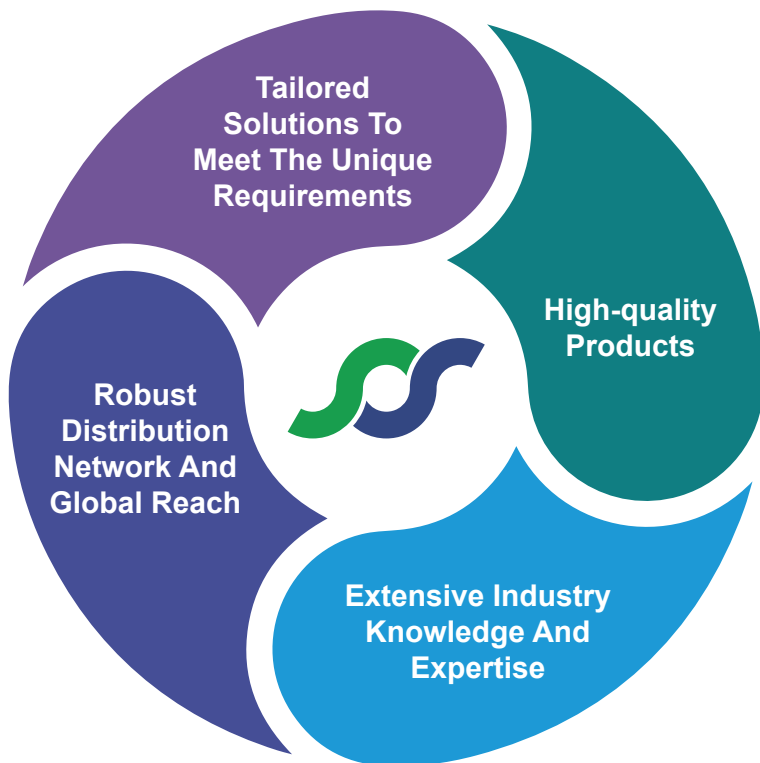

We are committed to:

1. Quality and Excellence

Delivering products and solutions of the highest quality standards to meet the diverse needs of our customers.

2. Customer Satisfaction

Building strong and lasting relationships with our customers by understanding their unique requirements and providing tailored solutions that add value to their operations.

3. Innovation and Technology

Embracing innovation and leveraging the latest technologies to develop advanced products that enhance efficiency, safety, and sustainability in our customers' industries.

4. Sustainability

Promoting sustainable practices and offering environmentally friendly products and solutions that minimize our ecological footprint and contribute to a greener future.

5. Reliability and Timeliness

Ensuring reliable and timely delivery of our products to minimize downtime and support our customers' operational continuity.

6. Collaborative Partnerships

Establishing strategic partnerships with industry-leading manufacturers, suppliers, and service providers to enhance our product offerings and provide comprehensive solutions to our customers.

7. Employee Development

Nurturing a culture of learning, growth, and empowerment among our employees, fostering their professional development and enabling them to provide exceptional service and expertise to our customers.

8. Ethical Conduct

Upholding the highest standards of integrity, honesty, and transparency in all our business practices, maintaining a strong commitment to ethical conduct.

Through our unwavering dedication to these principles, we aim to be the preferred supplier and trusted partner for organizations operating in the Oil and Gas companies, Refineries and Petrochemicals, Power and Energy, Ship-Building and Construction, Environment and Waste management, Food and Chemical industries, contributing to their success and driving mutual growth.

Welded Carbon Pipe

- A53 Grade A, API5L Grade B, API5L Grade B /X42/ X52/ X60/ X65,PSL-1,PSL-2
- Sizes 1/2"- 48" Sch. 10, STD and XH
- Single Random and Double Random Lengths

Seamless Carbon Pipe

- ASTM A 53 Grade B, ASTM A 106 Grade B/C, API5L Grade B, API5L Grade B/ X42/ X52/ X60/ X65, ASTM A333 Grade 1/6, ASME, NACE MRO175
- Sizes 1/8"- 26" Single Random and Double Random Lengths

Welded Stainless Steel Pipe

- ASTM A312
- Grades 304/L and 316/L
- Sizes 1/4" Thru 36"
- Schedules 10s, 20, 40s, 80s

Seamless Stainless Steel Pipe

- ASTM A312
- Grades 304/L and 316/L
- Sizes 1/4" Thru 20"
- Schedules 10s, 40s, 80s, 160, and XXH, True 40, True 80

Products Details

Stud Bolts and Sealing Products

- B7L7 and B7M B8 B8M Studs and Nuts upto 3.5 Inch Dia
- Spiral Wound, Fibre, Metal Ring Joint Gaskets and Flange Insulation Kits, Sealing Tapes, Packing etc.

Welding Rods & Electrodes - Welding Consumables

A wide range of welding electrodes including mild steel (rutile), low hydrogen (basic), stainless steel, repair & maintenance and cellulosic in a variety of sizes from 1.6 - 5.0mm for a broad range of welding applications. Brands we work with include Bohler, ESAB, Lincoln Electric & Oerlikon. Welding rods and electrodes are used in MMA and Arc Welding processes

Tungsten Electrodes

Stainless Steel Cleaning & Etching Systems

Submerged Arc Welding

Ceramic Backing Tiles

Electrodes - Welding Rods

MIG Welding Wire

Pre & Post Welding Products

TIG Welding Rods

Gas Brazing Rods & Brazing Consumables

Project Supplies

Flow Meter Products

- Coriolis Flow Meters
- Mass Flow Meters
- Positive Displacement Meters
- Turbine Meters
- Ultrasonic Meters

Pump Products

- Transfer Pumps
- Fuel Dispensing Pump
- Fire Pumps
- Grease Pumps
- Sewage Pumps
- Sludge Pumps
- Mud Pump

Tank Fitting Products

- Flame Arrestor
- Free Vent
- Gauge Hatch
- Manhole Cover
- Pressure / Vacuum Valve

Hoses Products

- Bunkering, Aviation
- Composite Hose
- Drilling Hose
- Food & Pharma Hose
- Hydraulic Hose
- Industrial Hose
- Layflat Hose

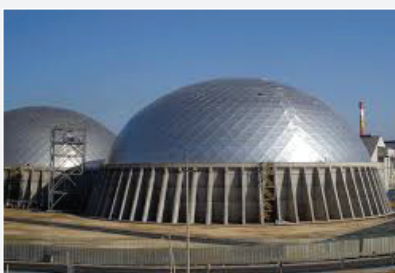

Welding Products

- Welding Machines
- Welding Electrodes
- Welding Cables
- Welding Consumables
- Gas Regulators

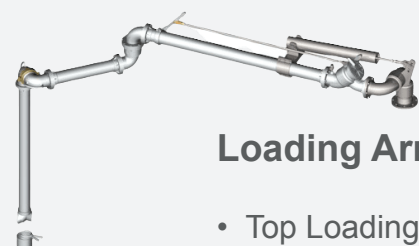

Fire Fighting Products

- Fire Extinguishers
- Fire Blanket
- Fire Truck
- Fire Ambulance
- Firemen Suit

Floating Roof Products

- Internal Floating Roof
- External Floating Roof
- Aluminium Geodesic Domes

Loading Arms

- Top Loading Arms
- Bottom Loading Arms
- Marine Loading Arms
